Dear Church Family,

Offering hope and changing lives—this is the heartbeat of Care Net of Puget Sound. On Saturday, June 28, we invite you to join us for the first-ever PNW Walk for Life, a powerful opportunity to stand for life and support moms, dads, and babies in our community.

Each year, Care Net of Puget Sound serves thousands of women and families through life-affirming services, including free pregnancy tests, ultrasounds, parenting support, post-abortion healing, and mentoring for moms and dads. Every step you take at the Walk for Life helps provide hope, resources, and the love of Christ to those facing unplanned or unsupported pregnancies.

As a church, we are excited to support this mission! Our goal is to gather [# of walkers] walkers from [Church Name] to participate. YOU can help make this possible. In just a few minutes, you can set up your personal fundraising page at PNWWalkForLife.org and share it with friends, family, and co-workers. Every dollar raised provides free, life-affirming care to families in need.

Please join us as we Walk for Life and make a lasting impact!
