General Care Net Focused

Subject: Why I'm Walking This June

Hi friends,

On **Saturday, June 28**, I'll be participating in the first-ever **PNW Walk for Life**—and I'd love your support!

I'm walking to raise funds for **Care Net of Puget Sound**, a Christ-centered ministry that offers hope, help, and compassionate care to women and families facing unplanned pregnancies. Every service is offered completely free of charge, made possible by the generosity of people like you.

Care Net walks alongside women and families during one of the most vulnerable times in their lives. Through their network of 8 clinics, they provide:

- Pregnancy testing and consultations
- Life-changing introductions through limited ultrasounds
- Parenting classes and education
- Material resources like diapers, wipes, clothing, and cribs
- Healing for those impacted by past abortions

They also serve dads, offering support and education through their Men's Program—helping men become the fathers their children deserve.

This ministry meets people where they are with the love of Jesus and reminds them they're not alone. Whether a woman feels scared, pressured, unsure, or unsupported—Care Net is there to offer support and life-affirming hope.

This June I walk in support of this life-changing work, and I'd love for you to join me! My goal is to raise [insert personal fundraising goal] to support more women in the Puget Sound.

Would you consider sponsoring me with a gift of \$25, \$50, \$100 or more?

Your support makes a lasting difference—for moms, dads, babies, and families right here in our own communities.

Thank you for joining me!

With gratitude,
