Help Care Net of Puget Sound Meet Urgent Volunteer Needs

**Body:**

Dear Church Family,

I want to share with you an important opportunity to serve those in need in our community. [Care Net of Puget Sound](#) has been offering compassionate, life-affirming care to women, families, and students for over 40 years. Through ultrasounds that reveal to women the unborn life that is growing inside them to ongoing, practical support for moms, dads and couples in our communities, Care Net of Puget Sound is sharing the hope and love of Christ in both word and deed and we are grateful to have them as ministry partners.

Already this year, Care Net has served over 10,000 individuals and educated 4,000 students on healthy relationships. Every service is free of charge and made possible by faithful volunteers.

Right now, there are urgent needs in Lakewood & Tacoma for:

- Client Advocates
- Receptionists
- Parenting Mentors
- Sonographers (RDMS)

And across the region for:

- Smart Speakers (teaching preventative healthy relationships in schools)

Care Net of Puget Sound provides the training, encouragement, and support every step of the way.

The upcoming volunteer training is October 20–November 1.

Volunteering at Care Net of Puget Sound is a beautiful way to live out Christ's call to love and serve our neighbors. I encourage you to prayerfully consider how God might be calling you to get involved!

In Christ,
